

NANETTE FISH HONORARY GRAND MARSHAL

It is a true honor to be named one of the Camellia Festival's Honorary Grand Marshals for 2024. Our 80th anniversary.

The Camellia Festival, of all the organizations I have been involved in, was the most fun. It gave me the opportunity to meet hundreds of residents, many who have become lifelong friends. It gave me the opportunity to meet hundreds of residents' who have become lifelong friends.

The Camellia Festival is not just an event for children but a tradition that brings together countless volunteers to celebrate our future generations.

Only recently have any of our surrounding cities had a parade and carnival solely dedicated to children. And for this I am the proudest.
